

Robin Fogarty Designed and Delivered Professional Development

Extended Response: Literacy Matters

Writing extended responses to a reading passage is a skill that is both elegant and urgent for the literate person. An exemplar of an extended response goes beyond a written summary or retelling of the passage. It requires a personal connection or some ideas that tie-back to the passage. The extended response shows evidence of inferences and conclusions, as well as predictions and judgments that are not explicitly stated in the passage. It reveals personal meaning from the text itself, blended with the background experiences and prior knowledge of the student. Moving students from the skillful summary to the more sophisticated extended response involves oral language skills that transfer to written language skills; scaffolding with prompts for personal connections, and practice in writing with personal connections.

- Oral Language and Written Language Skills
- Scaffolding Writing with Cued Prompts
- Practicing Setting with “Personal Best” Goals

Robin Fogarty talks about what she loves . . .

“Professional Development (PD) includes an entire array of models for school staff that include: seminars, books studies, workshops and trainings. PD by Robin Fogarty & Associates is specifically designed and delivered by experts in a field of curriculum development, instructional strategies and assessment techniques. The PD focus is on in-depth learning for school improvement. The goal is to deliver PD that transfers, directly and immediately from “the staff room to the classroom” for teachers, mentors, academic coaches and school leadership.

RFA Professional Development Benefits:

- Sustained Over Time
- Job-Embedded Learning
